To whom it may concern

Tryg Trade is a main provider of surety bonds, guarantees and trade credit insurance in the Nordic area. We issue bonds for all client types. Bonds are issued worldwide when required.

Our main business is contract bonds for construction and manufacturing companies, however, we also issue bonds in favour of public authorities for tax, EU-compensation and other obligations.

Extensive services are available for clients who require cross border solutions and support from local staff is available from offices in Denmark, Norway, Sweden, Finland, Austria, Belgium, Germany, Switzerland, the Netherlands, United Kingdom and Ireland. Our operations in Sweden trade under the name of Trygg Hansa Trade.

Tryg Trade is part of Tryg Forsikring A/S, the largest non-life insurance company in Scandinavia. Tryg is listed on the Nasdaq OMX Copenhagen. You can find more information about Tryg on www.tryg.com.

Tryg Forsikring is rated "Aa3" by Moody's.
